# Seven South Carolina MLSs Establish Statewide Property Data Coverage with CRS Data

## 4-year Extended Agreement Connects Agents with Reliable Property Data

KNOXVILLE, Tenn. – August 26, 2014 – [CRS Data](#), a leading provider of public record information for real estate, banker and financial professionals in the U.S., has extended its agreement with the South Carolina Association of REALTORS®. With CRS Data, seven of the association's largest MLS groups will now be able to offer their members statewide property tax data, allowing them complete access to maps, property reports and extensive tax data throughout the state.

The boards and associations which can now tap CRS Data's information on a daily basis, from almost any device including iPhones, iPads and Androids, include: the [Aiken Board of REALTORS®](#), the [Greater Greenville Association of REALTORS®](#), the [Spartanburg Association of REALTORS®](#), the [Southern Midlands Association of REALTORS®](#), the [Western Upstate Association of REALTORS®](#), the [Pee Dee REALTOR Association](#) and the [Sumter Board of REALTORS®](#).

"This local partnership with CRS Data is a perfect example of how our REALTOR® associations evolve and grow their intuitive and relevant member benefits," said Nick Kremydas, Chief Executive Officer for the South Carolina Association of REALTORS®. "By establishing access to statewide property data coverage, South Carolina

REALTORS® will have the ability to service their clients anytime, anywhere and for any property they are considering. More than ever, it pays to work with a REALTOR®.”

The extended 4-year contract includes a rich supply of CRS Data’s information, including access to current sales information, such as FSBOs; data on property neighborhoods; schools; subdivisions and even flood conditions.

“Our priorities of customer services, timely data and a dedication to creating the most intuitive interface, has allowed us the opportunity to continue servicing these seven South Carolina REALTOR® boards and associations,” said Rob Williamson, director of sales for CRS Data. “Achieving statewide coverage was an important goal for our team and we’re very pleased to offer them access to our wide breadth of data as we look toward the next four years with their team.”

Established in 1944 and now boasting more than 14,000 members, the South Carolina Association of REALTORS® is considered the largest professional trade association in South Carolina. They work to promote and protect private property rights and are the chief advocates of the American Dream of Homeownership.

Headquartered in Knoxville, Tenn., CRS Data currently provides access to comprehensive property data resources in more than 12 states, covering more than 500 counties. The company most recently expanded its data service to include 67 counties in Florida. Servicing bankers, MLSs, appraisers, investors, and other specialty financial customers, CRS Data is focused on providing accurate and timely property data, quality products and unparalleled customer satisfaction.
