CRS Data Partners with Palm Beach Board of REALTORS®

CRS Data services all Palm Beach real estate boards, associations

KNOXVILLE, Tenn. – December 4, 2014 – The [Palm Beach Board of REALTORS®](#) has chosen CRS Data as its property tax data supplier. As a leading provider of public record information for real estate, banker and financial professionals in the U.S., [CRS Data](#) is proud to have the opportunity to offer the board's 960 members a wide range of property tax data services. With this new two-year contract, CRS Data now services all boards and associations in Palm Beach County.

“Partnering with [CRS Data](#) for our public records information is an important step for all members of our board,” said Cappy Abraham, President for the [Palm Beach Board of REALTORS®](#). “We chose CRS Data for their team’s commitment to securing thorough data delivered in a very intuitive, easy-to-navigate online system, available on almost any of our members’ mobile devices. It was vital to us that property reports and tax data can be accessed any time, from anywhere.”

The Palm Beach board’s members will gain access to maps, property reports and extensive tax data throughout the greater Palm Beach area. CRS Data provides a unique, innovative property data product that makes its information available across all types of mobile and desktop devices, including iPads and Androids.

The 2-year contract includes a rich supply of CRS Data's property information, including access to current sales information, such as FSBOs; mortgage and tax data; foreclosure data; data on property neighborhoods, schools, subdivisions; and even flood conditions.

"Our team at CRS Data is extremely excited to sign a two-year agreement with the Palm Beach Board of REALTORS®, giving their members full access to our complete array of property data services," said Jack Jominy, MLS sales executive for CRS Data. "This new contract means that we now service all real estate association and board members in Palm Beach. We're certainly proud of our growth in Florida and look forward to continuing to expand our reach in the state."

Established in 1949, the Palm Beach Board of REALTORS® is a trade organization of REALTORS®, REALTOR-ASSOCIATES®, Affiliate and MLS Members chartered by the National Association of REALTORS®. Today the Palm Beach Board of REALTORS® is proud to be the voice of over 960 real estate professionals on the island of Palm Beach and surrounding areas.

Headquartered in Knoxville, Tenn., CRS Data currently provides access to comprehensive property data resources in more than 12 states, covering more than 500 counties. The company most recently expanded its data service to include 67 counties in Florida. Servicing bankers, MLSs, appraisers, investors, and other specialty financial customers, CRS Data is focused on providing accurate and timely property data, quality products and unparalleled customer satisfaction.
