Athens Area Association of REALTORS® & Classic MLS Chooses CRS Data MLS Suite

Tax property data company leads with mobile capability

KNOXVILLE, Tenn. – February 10, 2015 – [CRS Data](#), a leading provider of public record information for real estate, banker and financial professionals in the U.S., has announced a 3-year contract with [Athens Area Association of REALTORS® & Classic MLS](#). CRS Data is pleased to expand its reach in Georgia, providing agents with access to a wide variety of property tax data services.

“CRS Data has a history of providing the most dependable property data while maintaining impressive service for its customers,” said Josh Melton, CEO for the [Athens Area Association of REALTORS® & Classic MLS](#). “As our team explored new vendor options, we prioritized exemplary customer service and product innovation that would allow access to property data on almost any mobile device. CRS Data delivered on both fronts.”

[CRS Data's](#) 3-year agreement provides members of the Athens area association with access to a wide variety of property tax data. From customizable maps, neighborhood and comparables information to in-depth search capabilities, CRS Data's MLS Suite has been designed for maximum navigation and usability.

“We are confident that the CRS Data MLS Suite is the best fit for our team and member needs,” said Melton. “As the marketing landscape evolves, CRS Data will help ensure that our members can access the data and information they need to create presentations and deliver solutions for property buyers.”

Headquartered in Knoxville, Tenn., CRS Data currently provides access to comprehensive property data resources in more than 12 states and 500 counties. The company most recently expanded its data service to include 67 counties in Florida. Servicing bankers, MLSs, appraisers, investors, and other specialty financial customers, CRS Data is focused on providing accurate and timely property data, quality products and unparalleled customer satisfaction.

“We could not be more proud to be providing our product to the Athens Area Association of REALTORS® & Classic MLS,” said Nikki Morgan, MLS sales executive for CRS Data. “Our growth in Georgia is a direct result of our focus on creating the most thoughtful and intuitive property data product available today.”
